Essentials of Centralized Air Conditioning System Design

Are you ready to dive into the world of centralized air conditioning systems? Look no further! Our comprehensive course offers everything you need to know about designing efficient systems for residential, commercial, and industrial applications.

Course Includes:

- Introduction to principles and practices of designing centralized air conditioning systems for residential, commercial, and industrial applications
- Gain a comprehensive understanding of key components, design considerations, and calculations.

Offered by
General Sir John Kotelawala Defence University
Faculty of Technology

🕐 Duration: 36 Hours (6 Weeks)

💵 Fee: Rs. 18,000.
