

MASTERING BIOMEDICAL EQUIPMENT ELECTRICAL SAFETY

FROM THEORY TO PRACTICE.

Join us for a comprehensive course designed to equip you with the knowledge and skills necessary to ensure the electrical safety of biomedical equipment. The participants will delve into the following key areas:

1. Understanding Fundamental Principles of Electrical Safety
2. Exploring Electrical Safety Protocols
3. Utilizing Essential Tools for Evaluation
4. Operation and Utilization of Electrical Safety Analyzers
5. Hands-on Experience in Conducting Electrical Safety Test

**DURATION: 20 HOURS
(5 WEEKEND DAYS)**

FEE - RS. 10000

Offered By

**General Sir John Kotelawala
Defence University
Faculty of Technology**
